OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 25 May 1971

1. (Internal Use Only - MMC) Lisa Gerard, from the Office of Management and Budget, called to advise that they were giving a "no objection" clearance on our proposed report to Chairman Hebert, House Armed Services Committee, on H.R. 1600, a bill "To amend the Central Intelligence Agency Act of 1949 to prohibit the Agency from contributing funds to domestic organizations."

STATSPEC 2. (Internal Use Only - RJK) Delivered to the offices of Senators Mark Hatfield (R., Oreg.), George Aiken (R., Vt.), George McGovern (D., S. Dak.), Mike Mansfield (D., Mont.), Strom Thurmond (R., S. C.) and J. W. Fulbright (D., Ark.) [REDACTED] in which their names were mentioned.

4. (Unclassified - JMD) In response to a request from the office of Representative Walter S. Baring, arranged a personnel interview for [REDACTED] for Wednesday, 26 May at 11:30 with [REDACTED]

5. (Confidential - GLC) Bill Woodruff, Counsel, Senate Appropriations Committee, called and said he thought Monday, 7 June, would be a good date for our budget session and added he would let us know if he ran into any difficulty on this date. He said his present plan is to have the Director cover the community and Agency budgets in the morning of the 7th, continuing into the afternoon if necessary; having Froehlke Tuesday morning, DIA Tuesday afternoon, and finishing with satellite programs on Wednesday. See Memo for the Record.

Met with Woodruff later in the day and talked with him about arrangements for a meeting with John Clarke (D/PPB), James Frey (OMB), and 25X1C Ralph Preston (House Appropriations Committee staff) regarding the Radios. Woodruff brought up the subject of Senator Case's disclosure [REDACTED] 25X1C [REDACTED] and asked for a paper on the subject. See Memo for the Record.

6. (Confidential - GLC) Talked with Assistant Secretary of State for Congressional Relations David Abshire about the impact of Senator Case's disclosures concerning the Radios, Thai troops in Laos, and other matters. Abshire had some thoughts on the subject but suggested that nothing be done until the Radios bill has been successfully handled in the Senate. See Memo for the Record.

7. (Secret - GLC) Hand-carried to the Joint Committee on Atomic Energy the latest [REDACTED] to date, 25X1D dated 13 May 1971.

8. (Internal Use Only - GLC) Roger Mills, in the office of Representative Charles Rangel (D., N.Y.), called and asked if we could give them any help in handling an inquiry they had received on alleged CIA involvement in drug traffic in Southeast Asia. I told Mills that the allegations contained in the Ramparts article on this subject were not true and alluded to the cooperation we have been giving the Bureau of Narcotics and Dangerous Drugs and told him I would have somebody give him some written material on this, as he requested, tomorrow.

9. (Unclassified - LLM) Miss Carolyn Cohen, in the office of Representative Frank Thompson (D., N.J.), called on behalf of her brother who is a former pilot with TWA to learn if the Far East Aviation Service, which advertised in Aviation Week, was associated with the Agency. I explained the standard "no comment" policy and suggested that if her brother were truly concerned about finding out more information about this company that he try Government agencies associated with the airline industry, such as FAA or CAB which she agreed made sense. In response to her request, Agency application forms and brochures were sent to her.

10. (Internal Use Only - LLM) In response to his inquiry of 24 May, spoke with Hendrick Gideon, Senate Subcommittee on Executive Reorganization staff, and told him that the managerial communication problem of interest to him was not a proper concern for the Agency in the context of Reorganization Plan No.1 and that a meeting with Agency officials as proposed by him would not serve any useful purpose. In connection with his interest in obtaining a better understanding of the intelligence community, I offered to drop by some material.

11. (Unclassified - LLM) Mrs. Mabel Downey, in the Senate Subcommittee on Criminal Laws and Procedures, advised that the hearings on the recommendations by the National Commission on Reform of Federal Criminal Laws will resume sometime in July and suggested that I be back in touch with them in a week or so when Chief Counsel, G. Robert Blakey, will be back in the office to discuss with him the prospects of the proposed legislation.

12. (Unclassified - JGO) Received a call from Mr. Floyd, of the reporting firm of Ward & Paul, who advised that the transcript of Monday's Senate Foreign Relations Committee hearings on legislative proposals for funding RFE and RL is ready for pickup the first thing tomorrow morning.

13. (Confidential - JGO) Talked to Mrs. Lois G. Myers, Employee Benefits Subcommittee staff, who told me that Representatives Brasco (D., N.Y.), Hogan (R., Md.), and Powell (D., N.Y.) are the Subcommittee members to be picked up at the Cannon Building on Wednesday, 9 June, for breakfast meeting at the Agency. The other members will be driving their personal cars.

14. (Confidential - JGO) Talked to Mr. Ralph Preston, House Appropriations Committee staff, and scheduled a meeting in his office with Messrs. 16. (Internal Use Only - JGO) Received a call from Mrs. Mary Swann, Administrative Assistant to F. Edward Hebert (D., La.), concerning Agency summer employment opportunities. 25X1A 17. (Secret - JGO) Met with Mr. Frank Slatinshek, Assistant Chief Counsel, House Armed Services Committee, and discussed H.R. 8371, a bill "To amend the National Security Act of 1947 to specify certain activities in which the Central Intelligence Agency may not engage." Mr. Slatinshek said the Committee has requested our views and recommendations but that in this instance it might be good to delay actual response to the Committee at least until the Defense bills have cleared the floor of the House so that questions concerning the status of the bill could be answered simply that reports have been requested. Mr. Slatinshek would also appreciate it if we would review our response with him in draft prior to final answer. Mr. Slatinshek again mentioned the various security leaks in the press that have occurred such as the quotational statements given in executive session concerning Thai troops. He told me that the Committee anticipates some rather stiff questioning on the floor of the House possibly generated by some of their own members and asked that we add a fourth question to the ones given Mr. Maury and [REDACTED] yesterday. He asked that we provide a brief rundown of every Agency program where we are involved in the organization, financing, and operation of overseas activities. He indicated that although the present emphasis is on Indochina, they would appreciate advice on such activities worldwide so that the Chairman can be forewarned. I told Mr. Slatinshek that I would relay the Committee's request.

I briefed Mr. Slatinshek on the following items: Soviet sub tender in the Caribbean; Soviet communication satellites; pending major Soviet space operations; Soviet missile warhead deployment; North Vietnamese advances on Route 9 in Laos; and new ChiCom submarine, space tracking facility and MIG 19 production.

18. (Secret - JGO) Met with Mr. Ralph Preston, House Appropriations Committee staff, who told me that Chairman Mahon recast the schedule of hearings for the Committee to complete Defense hearings, if at all possible, by 10 June. In consequence, Mr. Preston himself has had to cancel his European trip which was scheduled for this weekend. In keeping with the new Committee schedule, there is a good probability that the Agency budget hearing will be scheduled for either 15 or 16 June.

I briefed him on the following items: Soviet sub tender in the Caribbean; Soviet communication satellites; pending major Soviet space operations; Soviet missile warhead deployment; North Vietnamese advances on Route 9 in Laos; and new ChiCom submarine, space tracking facility and MIG 19 production.

19. (Secret - JGO) Met with Mr. W. H. Boone, House Science and Astronautics Committee staff, and briefed him on SI and TKH clearance. The necessary security documentation was completed. Mr. Boone told me that a meeting has been scheduled at NASA with Dr. George Low and Mr. Dave Williamson for Chairman Downing and himself to review NASA's interface with the intelligence community and utilization of intelligence information.
